

## **VA Benefits Webinar**

### **Friday, February 28 @ 8:30 or 12:30 CT**

The Department of Veterans Affairs (VA) strives to protect the benefits of our nation's Veterans and their families. One program that serves to accomplish this goal is VA's Fiduciary Program. Through the Fiduciary Program, VA appoints fiduciaries to manage the benefits of Veterans and beneficiaries who are unable to manage their own financial affairs due to injury, disease, or age. VA assesses the well-being and needs of the beneficiary and their family and performs thorough background checks on appointed fiduciaries to ensure that the Veteran's best interests are served. Sign up for this free, one hour webinar to gain a basic understanding of the VA Fiduciary Program and help our Nation's Veterans and their families get the support they deserve. The webinar will be offered on February 28, 2014 at 8:30 AM CT and again at 12:30 PM CT.
